Political abuse of psychiatry is the misuse of psychiatric diagnosis, detention and treatment for the purposes of obstructing the fundamental human rights of certain groups and individuals in a society. It entails the exculpation and committal of citizens to psychiatric facilities based upon political rather than mental health-based criteria. Many authors, including psychiatrists, also use the ...

Key messages. The total number of NHS hospital beds in England, including general and acute, mental illness, learning disability, maternity and day-only beds, has more than halved over the past 30 years, from around 299,000 to 142,000, while the number of patients treated has increased significantly.

NHS hospital bed numbers | The King's Fund

On teachers' salaries, at least, the NCEC data is data for WAGES only, not total compensation. Given their civil service protections, automatic, seniority based promotions, extremely generous benefits and pensions, a picture of flatlining wages is inaccurate.
