The Household Cavalry Mounted Regiment (HCMR) is a cavalry regiment of the British Army tasked primarily with ceremonial duties. Part of the Household Division, it is classed as a regiment of guards, and carries out mounted (and some dismounted) ceremonial duties on State and Royal occasions. The HCMR is one of two operational units that form the Household Cavalry (HCav), the other being the ...

### **Household Cavalry Mounted Regiment - Wikipedia**

Armoured cavalry (or U.S. armored) began to replace horse cavalry as the reconnaissance arm in most armies after the First World War, although many armies continued to maintain horse cavalry through the end of the Second World War.. It differed from regular armour units in that the main AFVs were armoured cars or scout cars, with some light or medium tanks; motorcycle troops or infantry in ...
