We are preparing a longer-term plan that outlines work in the key areas of Governance, Organizational Culture, Leadership, Programmatic Work and External Representation, to be led by an internal Gender Working Group, which is now being constituted.

Celebrating Change – Global Health 50/50

Cultural diversity is the quality of diverse or different cultures, as opposed to monoculture, the global monoculture, or a homogenization of cultures, akin to cultural decay. The phrase cultural diversity can also refer to having different cultures respect each other's differences. The phrase "cultural diversity" is also sometimes used to mean the variety of human societies or cultures in a ...

Family is extremely important in the Turkish culture and organisations are susceptible to their workers' family responsibilities. It is not common for organisations to have formal policies and practices in place to help their employees balance work and family responsibilities, but they do honour unwritten obligations.
