

CHANGE IN THE VILLAGE

### **change in the village pdf**

The citizens of a city would vote in the same place for all elections, and this single voting place would be within the city limits. A village resident, however, must vote in one place for village elections and another place for national, state and county elections, which may be outside the village limits.

These two do not do a great deal, for life in the village seems to end around nine or ten o'clock. There are a few stores, butcher, baker, epicerie, a hardware store, and a money-changer-who cannot change travelers' checks, but must send them down to the bank, an operation which takes two or three days.

If you have food in the refrigerator, clothes on your back, a roof overhead and a place to sleep ... you are more comfortable than 75% of the people in this world. If you have money in the bank, in your wallet, and spare change in a dish someplace ... you are among the top 8% of the world's wealthy.

### **STATE OF THE VILLAGE REPORT - ODT**

Change is the law of nature. It is the need of life. Change is but natural in human communities. The village community is less susceptible to change than the urban community; but it does not imply that village community undergoes no change.
