Market research is an organized effort to gather information about target markets or customers. It is a very important component of business strategy. The term is commonly interchanged with marketing research; however, expert practitioners may wish to draw a distinction, in that marketing research is concerned specifically about marketing processes, while market research is concerned ...

An exit interview is a survey conducted with an individual who is separating from an organization or relationship. Most commonly, this occurs between an employee and an organization, a student and an educational institution, or a member and an association. An organization can use the information gained from an exit interview to assess what should be improved, changed, or remain intact.
