

CORPORATE GOVERNANCE

corporate governance pdf

Corporate governance is the collection of mechanisms, processes and relations by which corporations are controlled and operated. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators, and other stakeholders) and include ...

Corporate governance - Wikipedia

Our Board of Directors is committed to regular and constructive engagement with shareholders. They encourage shareholders to participate in annual meetings, and to express their views on governance and other matters directly to the Board outside the annual meeting.
