Plain Text email is, as the name implies, plain text and nothing more. No formatting, no pictures, all in a single, unspecified font. All email programs support plain text emails. Images can be included, but only as attachments.

### **Why Are Pictures not Showing in Email? - Ask Leo!**

When your icon font fails, the browser treats it like any other font and replaces it with a fallback. Best-case scenario, you've chosen your fallback characters carefully and something weird-looking but communicative still loads.

### **Seriously, Don't Use Icon Fonts - Cloud Four**

"I miss the good ol' days of the church." "I wish we could go back to the way things were." "I want my church back!" Chances are, if you are an Adventist, you have run into phrases like this. In fact, you may even have said them. In my early twenties I went through this "the church is lost"

## **Why I Don't Want to Be a "Historic" Adventist – Sabbath**

Chapter V Letters from Home For the next three weeks Anne and Priscilla continued to feel as strangers in a strange land. Then, suddenly, everything seemed to fall into focus—Redmond, professors, classes, students, studies, social doings.

Victoria Principal Productions. After Principal left the Dallas TV series in 1987, she began her own production company, Victoria Principal Productions, producing mostly television films. Principal went on to star in various television films, some of which she produced through her production company, before stepping away to focus on her health and wellness projects.

## **MOMENT OF TRUTH: Q Anon Discloses Secret Space Program**

Value: Desktops are much more cost-effective than laptops, mainly because laptop parts have higher prices due to the extra trouble of miniaturization. With a desktop, you can get more power for the same price. Ergonomics: Laptops place a strain on your neck, wrists, and back. The keyboards are smaller and you end up hunched over the screen. On a desktop, the display is at eye level and you can ...
