White bread typically refers to breads made from wheat flour from which the bran and the germ layers have been removed (and set aside) from the whole wheatberry as part of the flour grinding or milling process, producing a light-colored flour. This milling process can give white flour a longer shelf life by removing the natural oils from the whole grain. . Removing the oil allows products made ...

The Democratic Alliance (Afrikaans: Demokratiese Alliansie) (DA) is a South African political party and the official opposition to the governing African National Congress (ANC). The present leader is Mmusi Maimane, who succeeded former Mayor of Cape Town and Premier of the Western Cape Helen Zille on 10 May 2015. The party is broadly centrist, and has been attributed both centre-left and ...

Life Systems: Grade Seven Interactions within Ecosystems

It took me a long time to realize leaky gut was the culprit of my many health woes. Which isn't surprising. After all, who's walking around on a normal day thinking, "Hmmm, maybe my intestinal wall is hyperpermeable" (aka leaky gut).

3 Tests & 10 Symptoms Of Leaky Gut + My Favorite

Pathological (or extreme) demand avoidance is a term sometimes applied to complex behaviours in children within—or beyond—autism spectrum disorder. The use of pathological demand avoidance as a diagnosis has, at times, led to altered referral practice and misunderstandings between professionals and the families of patients. In our Viewpoint, we reviewed the current literature and conclude ...

Pathological Demand Avoidance: symptoms but not a syndrome

Toshiba Satellite Laptop (Purchased 2015 & 2018 – exact model number is C55-B5299). This computer has minimal computing power, but works great for internet and word processing use. It is one of the few new computers I have tested where my headaches are manageable (likely due to the lower processing power).
