Your Goals. Steps to Get There. Helpful Resources. 1. Knows and understands the importance of maintaining kitchen equipment and appliances. Describe how to store kitchen utensils in a safe and organized manner so they can be located and used efficiently and effectively.

WORK AND STUDY SKILLS - Casey Family Programs

My 9 year old is still lacking telephone skills -- both in terms of conversing and dialing/using the phone. Today I found a cool game that lets kids practice dialing the phone in various scenarios, and if you register (it's free), you can even edit the phone book to have the real phone numbers of people you know and emergency numbers used in your country.
