## English Language Arts - Regents Examinations

Language education in the United States has historically involved teaching American English to immigrants and Spanish, French, Latin, Italian or German to native English speakers. Bilingual education was sponsored in some districts, often contentiously. Japanese language education in the United States increased following the Japanese post-war economic miracle.

English is an Indo-European language and belongs to the West Germanic group of the Germanic languages. Old English originated from a Germanic tribal and linguistic continuum along the Frisian North Sea coast, whose languages gradually evolved into the Anglic languages in the British Isles, and into the Frisian languages and Low German/Low Saxon on the continent.
