modern china myanmar relations pdf

China–India relations, also called Sino-Indian relations or Indo-Chinese relations, refers to the bilateral relationship between the People's Republic of China (PRC) and the Republic of India. Although the relationship has been cordial, there are border disputes and an economic competition between the two countries that have at times led to strained relations.

China–India relations - Wikipedia

Diplomatic relations between Pakistan and China were established on 21 May 1951, shortly after the Republic Of China lost power in the Mainland in 1949. While initially ambivalent towards the idea of a Communist country on its borders, Pakistan hoped that China would serve as a counterweight to Indian influence.

India and China: Conflict and Cooperation David M. Malone and Rohan Mukherjee Not much has changed in the rhetoric of Sino-Indian relations since Mao Zedong, speaking in 1951 in honour of the first anniversary of India's constitution, declared that 'excellent friendship' had existed between the two countries 'for thousands of years'.¹ Yet few of the lofty proclamations made by Indian ...
