The history of Shanghai spans over a thousand years and closely parallels the development of modern China. Originally a small agricultural village, Shanghai developed during the late Qing dynasty (1644–1912) as one of China's principal trading ports. Since the economic reforms of the early 1990s the city has burgeoned to become one of Asia's major financial centers and the world's busiest ...

Forty-nine of the fifty U.S. states that make up the United States of America have one or more state songs, which are selected by each state legislature, and/or state governor, as a symbol (or emblem) of that particular U.S. state. New Jersey has no official state song, while Virginia's previous state song, "Carry Me Back to Old Virginny", adopted in 1940, was rescinded due to its racist ...

A 13. századra a sanghaji régió Kína egyik legvirágzóbb területévé vált, főleg a gyapottermelés fellendülésének köszönhetően. Megoldották a gyapot gépi tisztítását is. A pamut-alapon kifejlődött textilipar egészen a 19. századig a város gazdaságának fő ágazata maradt.. Az utolsó kínai nemzeti eredetű dinasztia, a Ming (1368-1644) idején eleinte ...
