

PRIMARY PEDIATRIC CARE

primary pediatric care pdf

The Pediatric Primary/Acute Care Nurse Practitioner specialty prepares nurses at the master's level as an advanced practice nurse to practice in both primary and acute/continuing pediatric care settings.

Primary/Acute Care Pediatric Nurse Practitioner - UAB

Primary care is the day-to-day healthcare given by a health care provider. Typically this provider acts as the first contact and principal point of continuing care for patients within a healthcare system, and coordinates other specialist care that the patient may need. Patients commonly receive primary care from professionals such as a primary care physician (general practitioner or family ...
