Bartonella Primary reservoir Vector Accidental host(s) and (human disease)

Neurological Manifestations of Bartonellosis in

A false accusation of rape is the reporting of a rape where no rape has occurred. It is difficult to assess the true prevalence of false rape allegations, but it is generally agreed that, for about 2% to 10% of rape allegations, a thorough investigation establishes that no crime was committed or attempted.

Poisoned candy myths are urban legends about malevolent strangers hiding poisons or sharp objects such as razor blades, needles, or broken glass in candy and distributing the candy in order to harm random children, especially during Halloween trick-or-treating. These stories serve as modern cautionary tales to children and parents and repeat two themes that are common in urban legends: danger ...
