Assessment. Students will be assessed based on their participation in class discussions and activities. Students will also be assessed based on their attempts to incorporate the following concepts—foreground, middle ground, background, overlapping, and relative size (scale)—into their imagined landscape paintings.

### From Foreground to Background (Education at the Getty)

Blackface is a form of theatrical make-up used predominantly by non-black performers to represent a caricature of a black person. The practice gained popularity during the 19th century and contributed to the spread of racial stereotypes such as the "happy-go-lucky darky on the plantation" or the "dandified coon". By the middle of the century, blackface minstrel shows had become a distinctive ...
