## **Spiritual Assessment Tools &#124; Discover and Using Gifts**

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

Good marriages can always be made better! Pope Francis described marriage as “a project to be worked on together” and a “process of growth” (Amoris Laetitia, no. 218, 221). The Church provides many opportunities for spouses to deepen and refine their love for each other. The organizations listed below are dedicated to creating time and ...

A narcissistic parent is a parent affected by narcissism or narcissistic personality disorder. Typically narcissistic parents are exclusively and possessively close to their children and may be especially envious of, and threatened by, their child's growing independence. The result may be what has been termed a pattern of narcissistic attachment, with the child considered to exist solely to ...

Maybe you've known about grace all your life. You grew up with it. You heard about it in church. But maybe there's more to God's grace than you were taught. After all, believing in grace is one thing; living it is another. In this classic series, Chuck Swindoll exhorts us to embrace grace. The messages in this series have inspired thousands of Christians to draw upon the spiritual abundance ...
