Standard Highway Signs—PDF and EPS files for New and Revised Signs The new edition of Standard Highway Signs and Markings is currently in progress. Layouts for new and significantly revised signs in the 2009 MUTCD have been included in the 2012 Supplement to the 2004 Edition of Standard Highway Signs.. Two types of files are available for standard signs:

Standard Highway Signs—PDF and EPS files for New and

The Institute actively participates in highway safety policy debates. One way we can influence policy is through the rulemaking process of federal agencies such as the National Highway Traffic Safety Administration and Federal Motor Carrier Safety Administration, whose regulations have the force of law.
