Can small liberal arts colleges survive the next decade

The Dreadnought class is the future replacement for the Vanguard class of ballistic missile submarines. Like their predecessors they will carry Trident II D-5 missiles. The Vanguard submarines entered service in the United Kingdom in the 1990s with an intended service life of 25 years. Their replacement is necessary if the Royal Navy is to maintain a continuous at-sea deterrent (CASD), the ...

The linked files are provided in Excel and PDF format. After selecting a link to download an Excel file, your browser should either offer you the opportunity to save the file, after which you can view it using Excel, or it will recognize the file's format and present you with options for activating Excel as a helper application.

Semester Enrollment Comparisons By Level, Gender or Ethnicity

A new generation has come of age, shaped by an unprecedented revolution in technology and dramatic events both at home and abroad. They are Generation Next, the cohort of young adults who have grown up with personal computers, cell phones and the internet and are now taking their place in a world where the only constant is rapid change.
