Philosophy of Big Data

Explores the ways that animal experimentation has gone awry because of its commitment to the methods of nineteenth century physiologist Claude Bernard.

Animal Experimentation: The Legacy of Claude Bernard

African philosophy is the philosophical discourse produced by indigenous Africans and their descendants, including African-Americans. African philosophy presents a wide range of topics similar to its Eastern and Western counterparts. African philosophers may be found in the various academic fields of philosophy, such as metaphysics, epistemology, moral philosophy, and political philosophy.

African philosophy - Wikipedia

Continental philosophy is a set of 19th- and 20th-century philosophical traditions from mainland Europe. This sense of the term originated among English-speaking philosophers in the second half of the 20th century, who used it to refer to a range of thinkers and traditions outside the analytic movement. Continental philosophy includes German idealism, phenomenology, existentialism (and its ...

Continental philosophy - Wikipedia

Philosophy tackles central questions in human life, such as: What counts as human knowledge? How should I live? What is truth? How is the mind related to the body? What is a just society?
