Word Walls: A Support for Literacy in Secondary School

York has, since Roman times, been defended by walls of one form or another. To this day, substantial portions of the walls remain, and York has more miles of intact wall than any other city in England. They are known variously as York City Walls, the Bar Walls and the Roman walls (though this last is a misnomer as very little of the extant stonework is of Roman origin, and the course of the ...

Here's how to install a Room Loop Before installing a room loop, you have to decide where you want to place the wire. You can place it: • Behind a baseboard or crown molding • Under the carpet • In the crawl space (attic) above the ceiling • Under the floor if you have an unfinished basement or crawl space
