Wonderful community service project to reuse plastic bags and craft the bags into sleeping mats for homeless and those in need.

## Turning Plastic Bags Into Sleep Mats For Homeless - The

The two are interlinked, but customers can be loyal to your brand without being advocates (although the reverse can't really be true). A brand loyalist is someone who is personally loyal to your brand, but doesn't engage in promoting you to others. They're important, not only because they generate revenue, but because they possess the potential to become advocates.

## The Customer Advocacy Playbook by Sujan Patel of Web Profits

Let go of your fear. A lot of people put off learning how to swim because they're afraid of drowning. While drownings do occur, most of them could have been prevented by simple safety measures. Follow these guidelines whenever you're swimming, and the odds of drowning will decrease dramatically: Don't swim alone.

Being good at your job is more important than you think. Everyone agrees that it's important to find a job you're good at. But we think it's even more important than most people think, especially if you care about social impact.. First, the most successful people in a field account for a disproportionately large fraction of the impact.

Neil Harbisson (born 27 July 1984) is a Catalan-raised, Northern Irish-born cyborg artist and transpecies activist based in New York City. He is best known for being the first person in the world with an antenna implanted in his skull and for being legally recognized as a cyborg by a government. His antenna sends audible vibrations through his skull to report information to him.
